ROUTE 635 TO CLOSE FOR BRIDGE WORK *Closure to begin as early as June 21*

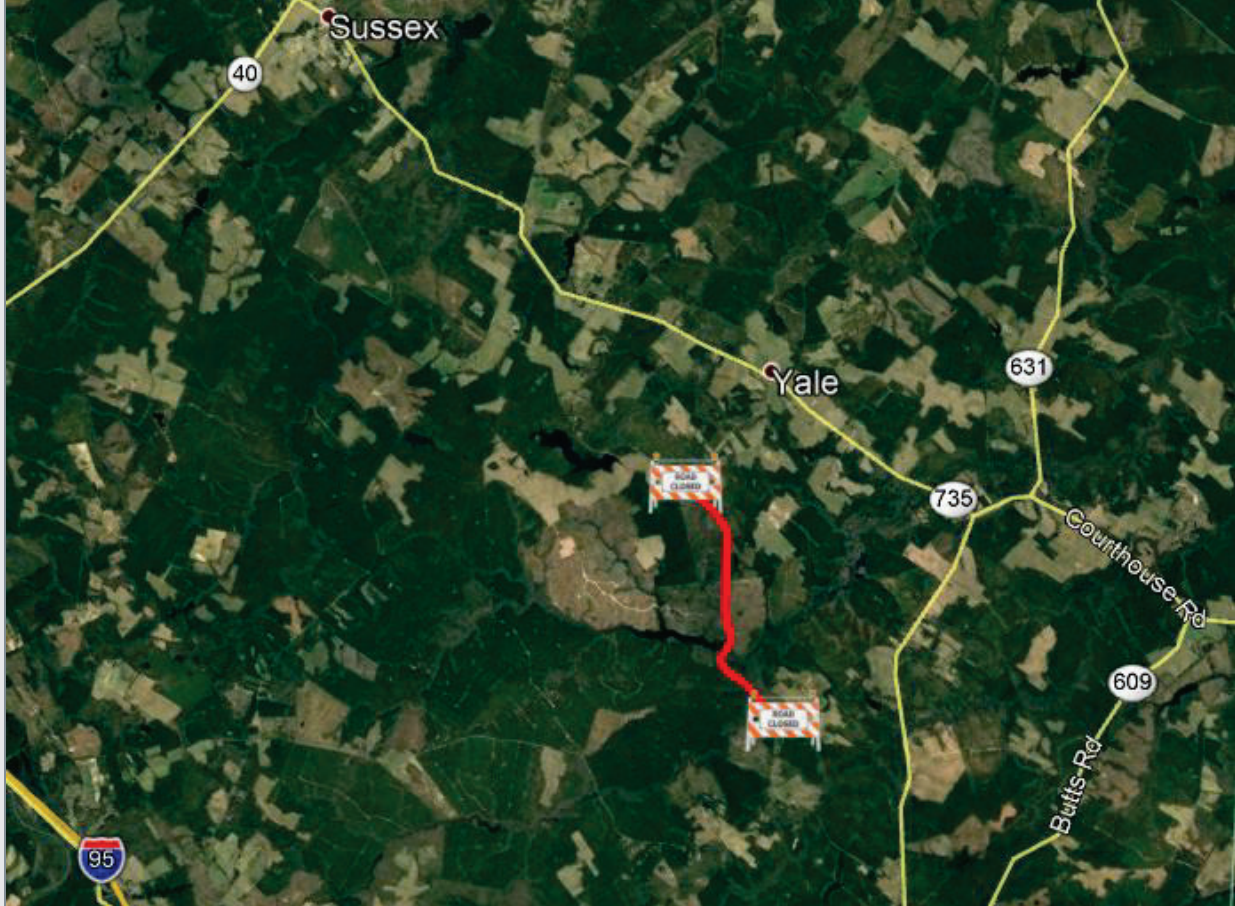

SUSSEX COUNTY – A Virginia Department of Transportation (VDOT) project to replace the bridge superstructure on Route 635 (Stokes Road) south of Route 644 (Hilda Road) over Raccoon Creek is estimated to start next week. Starting as early as June 21, Route 635 (Stokes Road) will be closed between Route 660 (Gilliam Road) and Route 644 (Hilda Road) with signed detours in place directing traffic as follows:

From Route 635 (Stokes Road) south:

- Take Route 635 (Stokes Road) to Route 644 (Hilda Road)
- Turn left onto Route 631 (Gray Road)
- Turn left onto Route 735 (Courthouse Road)
- Turn left onto Route 660 (Gilliam Road) and follow to Route 635 (Stokes Road)

During this closure, the existing bridge superstructure on Route 635 (Stokes Road) will be replaced with new steel beams, a wooden deck and a guard rail system that meets current design standards. The bridge replacement project is estimated to be complete in summer 2021. All construction work is dependent upon weather conditions.

Motorists are encouraged to visit www.511virginia.org, call 511, or download Virginia's free 511 mobile app, for current traffic and travel information.

Route 635 (Stokes Road) will be closed between Route 660 (Gilliam Road) and Route 644 (Hilda Road) with signed detours in place starting as early as June 21, 2021.
