

OCTOBER IS INTERNATIONAL WALK TO SCHOOL MONTH!

Our school's Walk to School Day event is on

Plan to join in on the fun and exercise! All students and their families are welcome. Look for more information in the coming weeks. Please let us know if you can lead a walking bus or bike train. For more information, contact:

Safe Routes to School is a program aimed at getting more kids (and their parents) walking and biking to school where it is safe, and to make it safe where it isn't safe. Participating in International Walk to School Day is a great way to get started.
