Albemarle County 5th Street Office Building, Room A
1600 5th Street, Charlottesville, VA 22902

Find out about the plans to construct a shared-use path along Biscuit Run, parallel to 5th Street Extended, from Wegmans Way to 5th Street. The 10-foot-wide shared-use path is also planned to serve as a hub for additional trails in both the city of Charlottesville and Albemarle County.

The project will reconstruct the existing hiking trail on the west side of Biscuit Run to a 10-foot-wide shared-use path. This will connect 5th Street with 5th Street Station. A new bridge is proposed to replace the existing bridge over Moores Creek. The project also proposes to construct a new 10-foot-wide shared-use path from Wegmans Way to the reconstructed path. This section will include a bridge over Biscuit Run.
